

UNITED STATES PATENT AND TRADEMARK OFFICE  
**CERTIFICATE OF CORRECTION**

PATENT NO. : 7,004,758 B2  
APPLICATION NO. : 10/721768  
DATED : February 28, 2006  
INVENTOR(S) : Kuoju Su

Page 1 of 4

It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

In Column 4, Line 20 of the patent certificate, change -- “” to “” --

In Column 4, Line 27 of the patent certificate, change -- “” to “” --

In Column 4, Line 29 of the patent certificate, change -- “” to “” --

In Column 4, Line 32 of the patent certificate, change -- “oi” to “**oi**” --

In Column 4, Line 32 of the patent certificate, change -- “oo” to “**oo**” --

In Column 4, Line 32 of the patent certificate, change -- “ou” to “**ou**” --

In Column 4, Line 41 of the patent certificate, change -- “\_” to “**\_**” --

In Column 4, Line 42 of the patent certificate, change -- “**[p]**” to “**[p]**” --

In Column 4, Line 46 of the patent certificate, change -- “**měat**” to “**měat**” --

In Column 4, Line 46 of the patent certificate, change -- “**hěel**” to “**hěel**” --

In Column 4, Line 47 of the patent certificate, change -- “**kěy**” to “**kěy**” --

Signed and Sealed this

First Day of June, 2010

David J. Kappos  
Director of the United States Patent and Trademark Office

In Column 4, Line 47 of the patent certificate, change -- “**ċēiling**” to “**ċēiling**” --

In Column 4, Line 65 of the patent certificate, change to -- “” to “” --

In Column 5, Line 3 of the patent certificate, change -- “**ōī**” to “**ōī**” --

In Column 5, Line 3 of the patent certificate, change -- “**ōō**” to “**ōō**” --

In Column 5, Line 4 of the patent certificate, change -- “**ōū**” to “**ōū**” --

In Column 6, Line 50 of the patent certificate, change -- “**māīl**” to “**māīl**” --

In Column 7, Line 32, claim 2 should be amended from:

“An English phonetic symbols system, comprising:

a plurality of vowel phonetic symbols comprises a plurality of full sound symbols, wherein each of said plurality of full sound symbols represents a full vowel sound respectively and predetermined to be capable of representing a complete syllable pronunciation respectively, and a plurality of half sound symbols, wherein each of said plurality of half sound symbols represents a half vowel sound respectively and predetermined to be insufficient to represent said complete syllable pronunciation;

a plurality of consonant phonetic symbols, wherein each of said plurality of consonant phonetic symbols represents a consonant sound respectively, wherein said half sound symbols combine with said consonant phonetic symbols to represent said complete syllable pronunciations; and

a consonant phonetic symbol list, having a plurality of combined units systematically arranged therein, wherein each of said plurality of combined units comprises a consonant phonetic symbols and a half sound symbol, wherein said consonant phonetic symbol list is suitable for reciting; and

a vowel phonetic symbol list, provided for easy learning and memorizing, wherein said vowel phonetic symbols are systematically arranged therein;

wherein each of said plurality of vowel phonetic symbols has a vowel phonetic symbol name and a predetermined sound respectively, wherein said plurality of vowel phonetic symbols comprising:

an “ā” or “a” symbol, having first symbol name of “a full sound”, representing a first sound of “a” equivalent to an “a” in the English alphabet;

an “ē” or “e” symbol, having a second symbol name of “e full sound”, representing a second sound of “e” equivalent to an “e” in the English alphabet;

an “ī” or “i” symbol, having a third symbol name of “i full sound”, representing a third sound of “i” equivalent to an “i” in the English alphabet;

an “ō” or “o” symbol, having a fourth symbol name of “o full sound”, representing a fourth sound of “o” equivalent to an “o” in the English alphabet;

an “ũ” or “u” symbol, having a fifth symbol name of “u full sound”, representing a fifth sound of “u” equivalent to a “u” in the English alphabet;

an “õĩ” or “oi” symbol, having a sixth symbol name of “oi full sound”, representing a sixth sound equivalent to an “oi” of the English word “oil”;

an “õõ” or “oo” symbol, having a seventh symbol name of “oo full sound”, representing a seventh sound equivalent to an “oo” of the English word “too.” to

-- An English phonetic symbol system, comprising:

a plurality of vowel phonetic symbols comprises a plurality of full sound symbols, wherein each of said plurality of full sound symbols represents a full vowel sound respectively and predetermined to be capable of representing a complete syllable pronunciation respectively, and a plurality of half sound symbols, wherein each of said plurality of half sound symbols represents a half vowel sound respectively and predetermined to be insufficient to represent said complete syllable pronunciation;

a plurality of consonant phonetic symbols, wherein each of said plurality of consonant phonetic symbols represents a consonant sound respectively, wherein said half sound symbols combine with said consonant phonetic symbols to represent said complete syllable pronunciations; and

a consonant phonetic symbol list, having a plurality of combined units systematically arranged therein, wherein each of said plurality of combined units comprises a consonant phonetic symbols and a half sound symbol, wherein said consonant phonetic symbol list is suitable for reciting; and

a vowel phonetic symbol list, provided for easy learning and memorizing, wherein said vowel phonetic symbol are systematically arranged therein;

wherein each of said plurality of vowel phonetic symbols has a vowel phonetic symbol name and a predetermined sound respectively, wherein said plurality of vowel phonetic symbols comprising:

an “ã” or “a” symbol, having a first symbol name of “a full sound”, representing a first sound of “a” equivalent to an “a” in the English alphabet;

an “ẽ” or “e” symbol, having a second symbol name of “e full sound”, representing a second sound of “e” equivalent to an “e” in the English alphabet;

an “ĩ” or “i” symbol, having a third symbol name of “i full sound”, representing a third sound of “i” equivalent to an “i” in the English alphabet;

an “õ” or “o” symbol, having a fourth symbol name of “o full sound”, representing a fourth sound of “o” equivalent to an “o” in the English alphabet;

a “ũ” or “u” symbol, having a fifth symbol name of “u full sound”, representing a fifth sound of “u” equivalent to a “u” in the English alphabet;

an “õĩ” or “oi” symbol, having a sixth symbol name of “oi full sound”, representing a sixth sound equivalent to an “oi” of the English word “oil”;

an “” or “oo” symbol, having a seventh symbol name of “oo full sound”, representing a seventh sound equivalent to an “oo” of the English word “too”;

an “” or “ou” symbol, having an eighth symbol name of “ou full sound”, representing an eighth sound equivalent to an “ou” of the English word “out”;

a “” symbol, having a ninth symbol name of “a half sound”, representing a ninth sound equivalent to an “a” of the English word “map”;

a “” symbol, having a tenth symbol name of “e half sound”, representing a tenth sound equivalent to an “e” of the English word “set”;

a “” symbol, having an eleventh symbol name of “i half sound”, representing an eleventh sound equivalent to an “i” of the English word “sit”;

a “” symbol, having a twelfth symbol name of “o half sound”, representing a twelfth sound equivalent to an “o” of the English word “not”;

a “” symbol, having a thirteenth symbol name of “u half sound”, representing a thirteenth sound equivalent to a “u” of the English word “push”;

a “” symbol, having a fourteenth symbol name of “o half sound plus”, representing a fourteenth sound equivalent to an “o” of the English word “cost”;

a “” symbol having a fifteenth symbol name of “neutral half sound”, representing a fifteenth sound equivalent to an “o” of the English word “actor”; and

a “” symbol, having a sixteenth symbol name of “o half sound minus”, representing a sixteenth sound equivalent to a “u” of the English word “bus”. --

In Column 8, Line 50, Claim 5 of the patent certificate, change -- “” to “” --
